The accounts for ten years past of each of the above-mentioned companies (except two of them which have not existed for that time and as to these for the period of three years last past) have been ex-amined by Mears. HENRY T. BHAGG and JOHN C. MARIN, accountants, of this city, who have certified that their business during that period shows an average yearly profit of 13 9-10 per cent, upon the aggregate capital employed. A special examination of the past year, during which the companies were opposed in interest and operated under large and un (before paying interest on burrowed money—an ex-pense which should no longer be necessary under this union of interests) in excess of the amount necessary to pay 8 per cent, upon the present issue of the Pre-ferred Stock. By introduction of sconomies contemplated, and through the additional productive capacity of all the several plants—due to co-operation and the common use of secrets in manufacture as hereinafter pointed out—the Company will, while offering to the consumer as cheap, if not a cheaper, product, he able very materially to increase both carmings and profits.

In addition to the properties above mentioned, this company has acquired also the property of the PARA BUBBER COMPANY Boston, Mass.

It has contracted also for the control of the TWO OTHER RUBBER BOOT AND SHOE PROP-
